STUDENTS' UNION

ELTE BTK HÖK
FACULTY OF HUMANITIES
2026.02.03.

WHO WE ARE

We are the Students' Union of ELTE Faculty of Humanities. Our organization is divided into committees, each with a president, committee members, and representatives who can assist students on a daily basis.

As well as during information days, course registration, other departmental events, and throughout semesters. We are here to help, and in addition to opportunities for academic and scientific development, we also organize entertainment, parties, events, community activities, and sports.
