Practical matters

Orientation Week

Held one week before the official start of the semester. Covers organisational matters and includes ice-breaking and networking activities. [More information](#)

Housing

ELTE provides you or helps you finding a suitable accommodation throughout your studies. We distinguish two accommodation services: dormitories and housing.

[More information](#)

Health insurance

Non-EEA students should check applicable insurance options, while EEA students are advised to obtain a European Health Insurance Card before departure.

[More information](#)

Stay legal

Before you start your studies at ELTE, you need to ensure your legal status in Hungary. The procedure differs based on your citizenship and the length of your stay.
