*The exact name and specific code of the study unit is subject to change depending on actual courses launched. The courses are catalogued by the leader of the specialisation, courses with the same content are launched with the same subcode. For any given topic more than one course may be advertised, these are differentiated by the extension of the code after the full stop (marked as an X variable in the table above): these courses may be taken simultaneously or in subsequent semesters. The courses in the table may be taken in *any combination* (observing the prerequisites), e.g. the 50 credits may be collected by completing only courses with the code BBI-ANG-312.X. For students on the English specialization the following study units: BBI-AME21-214, 216, 226, 228, 236, 274, BBI-AME-222, 224, 232, for students on the American specialization the following study units: BBI-ANG21-212, 214, 216, 218, 219, 261, BBI-ANG-243, 249, 253, 262, 273 are also included in the choice (prerequisites permitting).
