CREDITS

Bachelor programmes: 180 credits

Master programmes: 60* or 120 credits

**Instructor of English as a Foreign Language programme only*

MINORS OR SPECIALIZATIONS – BA PROGRAMMES

The 180 credits of Bachelor studies contain a 50-credit module of a specialisation or a minor.

MINORS OR SPECIALIZATIONS – BA PROGRAMMES

Every study programme contains one or more compulsory 50-credit specialisation modules, which can be found in the curricula (study unit lists) of the study programmes.

SPECIALIZATIONS – ENGLISH AND AMERICAN STUDIES

When to start and when to choose the specialisation?

- Start from the 2nd year of studies.
- **BUT! Specialisations should be chosen a semester in advance (in May-June) in Neptun.**
- Can be started only after a successful language proficiency exam (normally taken at the end of the 1st year).

MINOR PROGRAMMES (BA)

- Instead of a specialization, choose a minor.
- 50-credit module different from one's study programme.
→ A 50-credit package of another study programme.
- Advantage: students can apply for a Master programme connected to the minor

MINOR PROGRAMMES (BA)

When to start and when to choose the specialisation?

- Some of the minors can be started from the 2nd year of studies.
- Most of the minor programmes should be started already in 1st semester, so they are 6-semester-long programmes, such as the BA.

The minor should be chosen in Neptun (May-June). The departments of studies examine all applications from Neptun, and they decide who can take/continue the minor programme next semester and further.

MINOR PROGRAMMES (BA)

Always check the curriculum, and contact your coordinator at the Department of International Affairs for consultation if you wish to choose a minor.
